ACTION TAKEN REPORT FOR THE ACADEMIC YEAR 2020-21

EMPLOYER'S FEED BACK ON CURRICULAM

SUMMARY

This organization is affiliated to JNTUK, KAKINADA and the college academic curriculum is designed by the board of studies in the university Board of studies designs curriculum by taking suggestions and remarks from the affiliated colleges through conducting meetings with the principals (of the affiliated colleges) before preparing the blueprint of curriculum

However, institution obtains feedback and the curriculum design and development from various stakeholders the feedback is collated and analysed at College academic meetings in the institution. Based on feedback requirement, institutions planned as follows:

- Coordination is well maintained between the theory classes and lab activities.
- Industrial visits are arranged to enrich the education.
- Mock interview sessions are arranged for the genuine placements.
- Ethics is introduced to improve the behavioral skills.
- Industry experts have been invited for mentoring for the students under student training programs (STP).
- It is suggested to be more oriented towards the current trends in the market and also want to have a particular period for improving communication skills are the students.

Instead of collecting of the information even though obtain from the experts required suggestions and remarks about the curriculum are conveyed by the principal to the university through attending meetings in the university and it is made perfect to suit the students.
