Vijaya Institute of Pharmaceutical Sciences for Women organized an awareness programme on **Cancer** on the occasion of **Cancer Day on 04.02.2021**. Dr. P.Anila, Clinical Oncologist, American Oncology Institute addressed the students on the importance of adopting good health practices for leading a disease-free life. **World CANCER Day** is observed every year on February 4th to raise awareness about cancer and to mourn those who succumbed to the condition. The year 2021 came with a **theme "I Am and I Will"**, an empowering call for personal commitment that represents the power of human actions taken now to have a positive impact on the future. The theme clearly focuses on "together all our actions matter". Dr. Anila also suggested the precautions to be taken to the girl students and female faculty about personal hygiene to avoid cervical cancer. Around 162 students with more than 25 staff attended the programme and made it a success.
