Report

Name of the Programme : International plastic bag -free day
Resource person : Mr. Charan & team
Conscious planet
Isha Foundation
Contact No : 6281017649

On the occasion of International plastic bag-free day on 03.07.2022 Vijaya Institute of pharmaceutical Sciences for Women conducted an awareness programme on the usage of plastic bags and how to save soil. Mr. Charan from conscious planet visited the institution and created an awareness on the threat caused by plastic pollution to the natural environment as a part of "SAVE SOIL" campaign initiated by Sadguru Jaggi Vasudev, Isha foundation. He also stated that we have to improve the organic matter in the soil from 0.3 % to 6 % or else the soil may become desert in the future and it leads to civilization wars. To avoid soil erode and degradation of the earth he suggested the students to plant the plants as many as possible and also prevent and stop the use of plastic bags as they cause soil degradation.

27.04.2022

REPORT

Name of the Programme : World Malaria Day
Place : Kanuru
Vijayawada

As our country is the most prone place to malaria and it is estimated that 241 million people are subjected to malaria globally. The students of II Pharm D conducted a rally to create an awareness to the residents of Kanuru village by carrying placards with the theme 2022 "Harness innovation to reduce the malaria disease burden and save lives" on 25.04.2022 to bring attention to the efforts being made by the Government to bring an end to Malaria and encourage and reduce suffering and death from the disease and also educated them to keep their surroundings clean. Students also suggested few precautionary measures like Avoiding mosquito prone areas, use of mosquito repellents, using mosquito nets and wire mesh in eradicating the mosquitoes. Early diagnosis and treatment of malaria are vital, else it can lead to complications and also be fatal.

REPORT

Name of the Programme : World Health Day
Place : Government General Hospital
Vijayawada

World Health Day is a global awareness day celebrated on 07.04.2022 every year to commemorate the founding of World Health Organisation. Theme of the year 2022 is "Our Planet Our Health". WHO said that Covid 19 pandemic highlighted how people can have better livelihood. The pandemic has revealed weaknesses in all areas of society and underlined the urgency of creating sustainable well-being societies committed to achieving equitable health now and for future generations without breaching ecological limits. Pharm D students of Vijaya Institute of Pharmaceutical Sciences for Women created an awareness about the healthy habits to be followed and how to stay fit by taking balanced diet to the patients of GGH.

REPORT

Name of the Programme : Awareness Programme on Cancer
Place : VIPW Campus
Resource Person : Dr. Yarlagadda Prashanth,
Consultant Radiation Oncologist
Nagarjuna Hospitals
Kanuru, Vijayawada

On the occasion of World Cancer Day on 04.02.2022, Vijaya Institute of Pharmaceutical Sciences for Women took an active part in conducting an awareness on Cancer on 04.02.2022 at 2.00 PM in the seminar hall. The resource person Dr. Y. Prashanth addressed the students on the importance of adopting good health practices for leading a disease-free life. This year 2022 came with a theme "Close the Care Gap" which is about understanding the inequities in cancer care and taking actions to make the necessary progress. During the talk the resource person also suggested the faculty and the students about the precautions to be taken and advised to go for further screening tests for cancer like PAP Smear, Mammography, Clinical Breast Examination which can help to diagnose in early age and early stage. Students also took an active part in the programme.

Students of Vijaya Institute of Pharmaceutical Sciences for Women along with the Principal Dr. K. Padmalatha and faculty Mrs. V. V. Vandana Devi participated in the awareness campaign **Project Suraksha** organized by **Our Youth Social Community (OYSC)** on **21.10.2021**. The talk tried to bring awareness among adolescent girls on menstrual hygiene and promote the use of ecofriendly napkins. Chief guest, Dr. K. Padmalatha mentioned a few key words for improving menstrual hygiene and health. She stated about the importance of removing several myths and taboos existing in the society about menstruation. The other guest, Mr. P. Nagabhushanam, ex ZP chairperson, Guntur aimed his talk on the insult and humiliation faced by girls in the name of menstruation which can be removed only by education. He also affirmed the importance of gender education and making this a part of text books. The programme ended up with the slogan “Menstruation is not a problem, but poor menstrual hygiene is a point to be taken care.”
