

# Vijaya Institute of Pharmaceutical Sciences for Women (VIPW)

Permitted by Govt. of A.P; Approved by AICTE, New Delhi  
Pharmacy Council of India, New Delhi & Affiliated to JNTU Kakinada

## CERTIFICATE

This is to Certify that Miss..... Archana. Mallavarapu.....  
of .....II sema - ISt B. Pharm Semester / Year, M. Pharmacy / B. Pharmacy  
has satisfactorily completed the Practical Course of Study as laid down by JNT  
University Kakinada for Subject of..... Biochemistry .....

.....during the Academic Year 2022-2023 and her practical record represents the work  
done by her in the Department of ..... Ph. chemistry -2 .....

H.T. No. 207N1R0034.....

Batch: B - Batch .....

Date: .....

# CONTENTS

| Sr. No. | NAME OF THE EXPERIMENTS   | Date of Exp.       | Page No. | Marks Obtained | Signature   |
|---------|---|--------------------|----------|----------------|-------------|
| 1       | To identify the given sample of Carbohydrate by qualitative tests.                              | 13/6/23            | 8-15     | 14             | (Signature) |
| 2       | To identify the given sample of Carbohydrate by qualitative tests.                              | 20/6/23            | 16-23    | 14             | (Signature) |
| 3       | To identify the given sample of Carbohydrate by qualitative tests.                              | 27/6/23            | 24-31    | 14             | (Signature) |
| 4       | To identify the given sample of Protein.  | 4/7/23             | 32-41    | 13             | (Signature) |
| 5       | To identify the given sample of Protein.  | 11/7/23<br>18/7/23 | 42-51    | 15             | (Signature) |
| 6       | To perform the quantitative analysis of reducing sugars by Dinitro salicylic acid (DNSA Method) | 22/8/23            | 52-57    | 14             | (Signature) |
| 7       | To perform the quantitative analysis of Protein in the given sample by Biuret method.           | 16/8/23            | 58-61    | 14             | (Signature) |
| 8       | To perform qualitative analysis of Urine for abnormal constituents.                             | 8/8/23             | 62-73    | 14             | (Signature) |

|    |   |         |         |    |     |
|----|---|---------|---------|----|-----|
| 9  | To estimate quantity of Creatinine in the given sample by Alkaline picrate method.      | 8/8/23  | 74-77   | 14 | (P) |
| 10 | To estimate quantity of Glucose in the given sample by Glucose Oxidase Method (GOD)     | 29/8/23 | 78-82   | 14 | (P) |
| 11 | To estimate of cholesterol in the given sample by modified Liebermann Burchard reaction | 16/8/23 | 84-89   | 14 | (P) |
| 12 | To Prepare Potassium phosphate buffer of pH 6.5   | 22/8/23 | 90-93   | 12 | (P) |
| 13 | To Study of enzymatic hydrolysis of starch  | 29/8/23 | 94-99   | 14 | (P) |
| 14 | To determine salivary amylase activity  | 22/8/23 | 100-103 | 14 | (P) |
| 15 | To study the effect of temperature on salivary amylase activity.                        | 29/8/23 | 104-107 | 14 | (P) |
| 16 | To study the effect of substrate Concentration on salivary amylase activity             | 29/8/23 | 108-111 | 15 | (P) |

| I     |          | Monophasic liquid Dosage forms                        | 1-5      |       | ?    |
| 1.    | 22/8/22  | Preparation & Evaluation of Paracetamol Syrup         | 6-8      | 10    | BB   |
| II    |          | Biphasic liquid Dosage forms                          | 9-13     |       |      |
| 2.    | 10/10/22 | Preparation & Evaluation of AlOH antacid              | 14-17    | 10    |      |
| III   |          | Semisolid Dosage forms                                | 18-20    |       | BB   |
| 3.    | 17/10/22 | Preparation of salicylic acid & benzoic acid ointment | 21-22    | 10    |      |
| IV    | 31/10/22 | Preparation of Diclofenac Gel                         | 23-24    | 10    | ?    |
| IV    |          | Creams  | 25-26    |       |      |
| 5.    | 7/11/22  | Preparation of Cold Creams                            | 27-28    | 10    | BB   |
| 6.    | 14/11/22 | Preparation of Vanishing Cream                        | 29-30    | 10    |      |
| 7.    | 21/11/22 | Preparation of Tooth powder                           | 31-33    | 10    |      |
| 8.    | 28/11/22 | Preparation of Tooth paste                            | 34-36    | 9     |      |
| 9.    | 5/12/22  | Preparation of Liquid shampoo                         | 37-38    | 9     |      |
| 10.   | 12/12/22 | Preparation of Lipstick                               | 39-40    | 10    |      |
| IV    |          | Parenterals   | 41       |       | BB   |
| 11.   | 19/12/22 | Sodium chloride Injection I.P                         | 42-43    | 10    |      |
| 12.   | 26/12/22 | Dextrose Injection I.P                                | 44-45    | 10    |      |
| 13.   | 2/1/23   | Calcium Gluconate Injection I.P                       | 46-47    | 9     |      |
| 14.   | 6/2/23   | Intravenous Injection B.p.c                           | 48-49    | 10    | BB   |
| 15.   | 13/2/23  | Preparation of Ascorbic acid injection                | 50-52    | 10    |      |

**LABORATORY CERTIFICATE**

This is to certify that Miss Cheruvu Sri dasya Priya

Reg. No. 197N1T0014 Of IV PharmD

has satisfactorily completed the course of experiments in the  
Subject Biopharmaceutics & Biopharmacokinetics Prescribed by

J.N.T.U. Kakinada during the year 2022 - 2023

Sign. Of Examiner
