Most Recent Test Date: August 7, 2023

Date of Birth: February 3, 2002

Registration Number: 2255176
Print Date: August 16, 2023**About Your GRE[®] Score Report****Score Reporting Policies**

With the *ScoreSelect*[®] option, you can decide which test scores to send to the institutions you designate. There are three options to choose from:

- Most Recent option – Send your scores from your most recent test administration
- All option – Send your scores from all administrations in the last five years
- Any option – Send your scores from one OR as many test administrations in the last five years (this option is not available on test day when you select up to four FREE score reports)

Scores for a test administration must be reported in their entirety. Institutions will receive score reports that show only the scores that you selected to send to them. There will be no special indication if you have taken additional GRE tests. See the *GRE[®] Information Bulletin* for details. The policies and procedures explained in the Bulletin for the current testing year supersede previous policies and procedures in previous bulletins.

Scores will be sent to designated score recipients approximately 10-15 days after a computer-delivered test and 5 weeks after a paper-delivered test. If your scores are not available for any reason, you will see "Not Available" in Your Test Score History.

GRE test scores are reportable according to the following policies:

- For tests taken prior to July 1, 2016, scores are reportable for five (5) years following the testing year in which you tested (July 1 – June 30). For example, scores for a test taken on May 15, 2015, are reportable through June 30, 2020. GRE scores earned prior to August 2011 are no longer reportable.
- For tests taken on or after July 1, 2016, scores are reportable for five (5) years following your test date. For example, scores for a test taken on July 3, 2016, are reportable through July 2, 2021.

Note: Score recipients will only receive scores from test administrations that you have selected to send to them.

Percentile Rank (% Below)

A percentile rank for a test score indicates the percentage of test takers who took that test and received a lower score. Regardless of when the reported scores were earned, the percentile ranks for General Test and Subject Test scores are based on the scores of all test takers who tested within the most recent three-year period.

Retaking a GRE Test

You can take the *GRE[®] General Test* *once every 21 days, up to five times* within any continuous rolling 12-month period (365 days). This applies even if you canceled your scores on a test taken previously. You can take the paper-delivered *GRE General Test* and *GRE[®] Subject Tests* as often as they are offered.

Note: This policy will be enforced even if a violation is not immediately identified (e.g., inconsistent registration information) and test scores have been reported. In such cases, the invalid scores will be canceled and score recipients will be notified of the cancellation. Test fees will be forfeited.

For More Information

For information about interpreting your scores, see *Interpreting Your GRE Scores* at www.ets.org/gre/test-takers/general-test/scores/understand-scores.

For detailed information about your performance on the Verbal Reasoning and Quantitative Reasoning sections of the computer-delivered *GRE General Test*, access the free *GRE Diagnostic Service* from your ETS account. This service includes a description of the types of questions you answered right and wrong, the difficulty level of each question, and the time spent on each question. This service is available approximately 15 days after your test administration and for six months following your test administration.

If you have any questions concerning your score report, email GRE Services at gre-info@ets.org or call 1-609-771-7670 or 1-866-473-4373 (toll free for test takers in the U.S., U.S. Territories and Canada) between 8 a.m. and 7:45 p.m. (New York Time).

Sacred Heart UNIVERSITY

INTERNATIONAL ADMISSIONS

September 27, 2023

Dear Suma Pulavarthi,

Congratulations! The Admissions Committee for the Graduate Program in MS in Healthcare Informatics program has completed its review of your academic credentials. Based on these assessments and the conclusions of the Committee, I am pleased to offer you admission to the Sacred Heart University class entering in the Spring 2024 term.

Your student ID is 0943064. Please keep this for your records.

Your admission status is: **Admit**

Any pre-requisite coursework or conditions of your acceptance, if required, is specified here:

The competition for admission was particularly rigorous this year. We were impressed by your academic achievements and believe strongly in your potential for continued success. A mandatory orientation is scheduled approximately one week prior to the start of your program. Please pay close attention to your email address on file (pulavarthisuma10@gmail.com) as you will be receiving several detailed emails explaining the costs of your program, important dates to remember, an explanation of conditions of your acceptance (if any), and detailed next steps to receive your I-20. Briefly, our next steps include:

1. Pay your enrollment deposit (this is required to issue the I-20)
2. Have your I-20 emailed/shipped from Sacred Heart University
3. Schedule and prepare for your visa interview
4. Secure your visa
5. Prepare your health immunization records
6. Register for classes
7. Register for orientation
8. Book travel to Sacred Heart University

Sacred Heart University holds students to the highest level of academic integrity, and conducts regular audits of academic documents (such as transcripts, exam scores, etc.). If any documents are found to have been falsified or altered in any way, your acceptance will be automatically terminated and you may be reported to US immigration officials.

As a graduate student at Sacred Heart University, you will be subject to all academic standards and regulations and to the program guidelines in effect for the semester applicable at the time of this acceptance. Furthermore, as an international student, and in accordance with Immigration and Customs Enforcement (ICE) regulations, you are required to maintain continuous, full-time enrollment. Failure to do so may invalidate your student status here at Sacred Heart University, your legality as a visitor to the United States, and consequently subject you to the appropriate ICE repatriation laws. Please refer to our official Graduate Catalog for the complete policy governing full-time status for international students. Please note, that it is a requirement of Sacred Heart University that all graduate students maintain a minimum cumulative GPA of 3.0.

Finally, please accept my congratulations on your successful application. You are about to embark on an exciting, challenging and rewarding professional educational experience. We look forward to welcoming you to the Sacred Heart University campus community and to our graduate program.

With warm wishes,

Cori Nevers
Executive Director of International Admissions
