Vijaya Institute of Pharmaceutical Sciences for Women organized a **Karate training program** for the academic year 2019-20 from **01.11.19 – 15.03.20**. In this connection, under the guidance of the instructor **Mrs. K. Jyothsna Sri**. This training session is mainly not only to keep students fit and healthy, but also to use it for self-defense. Self-defense has become very necessary to safeguard girl students from anti-social elements in society and martial art can come in handy in such incidents. Students who were trained expressed a sense of gratitude and happiness.

#### **Outcomes:**

- To improve physical and mental health.
- To build self-esteem and strengthen self-confidence.

Vijaya Institute of Pharmaceutical Sciences for Women organized a training program on Fire Safety held on 25.10.2019. The program was conducted by Sri. Narayana. The importance of fire safety was highlighted by citing real life examples, use of firefighting gadgets were demonstrated by the team to help students understand and act on time during a fire breakout situation. Real life training was also provided, few students were made to use the firefighting gadgets to help them practically understand how they work and operate. Students were certified. Around 130 students from I B. Pharm and I Pharm D have attended this event. Dr. K. Padmalatha, Principal of VIPW thanked Mr. Narayana and participants.

Vijaya Institute of Pharmaceutical Sciences for Women organized a training program on First Aid held on **16.09.2017** for the academic year 2017-18. The program was conducted by **Dr. Y. Ashok Kumar, Professor, Pinnamaneni Siddhartha Institute of Medical Sciences and Research Foundation & Dr. Sudarsan.** They presented a Power Point on the first aid techniques to be adopted during the golden hour, the initial hour after a person meets with a road accident. The golden hour is the first '60 minutes' following any injury or trauma. Prompt medical attention during this period can save one's life. The first hour is also critical in situations such as a heart attack or stroke, wherein immediate medical attention has a profound impact on a person's survival. About **120 students from I B. Pharm and I Pharm D** have attended this training programme. The **Principal of VIPW Dr. K. Padmalatha,** thanked **Dr. Y. Ashok Kumar & Dr. Sudarsan.**

Vijaya Institute of Pharmaceutical Sciences for Women organized a training program on **CPR** held on **15.11.2016** for the academic year 2016-17. The program was conducted by **Dr. Kola Vijaya Sekhar**. The session engrossed on how to prepare students to be confident such that they can act appropriately and calmly act if an emergency situation arises. This training session mainly focused on sudden cardiac arrest, and also prevention of brain damage. He also discussed about care that should be taken between **child and adult CPR** which would vary in chest compressions and rescue breaths.

Students learned how chest compressions can help the flow of blood to the heart, brain, and other organs. **59 students** from **I and II Pharm D** have attended this event. **Dr. K. Padmalatha**, Principal of VIPW expressed the vote of thanks for sharing his knowledge.

### REPORT

**NAME OF THE PROGRAM** : **International yoga day celebration**  
**DATE** : **20.06.2015**  
**RESOURCEPERSON** : **Isha Foundation**

Yoga programme on “Basics of Meditation, Pranayama and Yoga asnas” was conducted on 20<sup>th</sup> June 2015 in Vijaya Institute of Pharmaceutical Sciences for Women. The Principal, Dr. K. Padmalatha, all the teaching and non-teaching staff participated in the event in seminar hall. The yoga practitioners demonstrated basics of meditation, followed by various yoga asanas helpful for blood circulation, gut problems, nervous stimulation. Meditation is an ancient practice to train attention, achieve a mentally clear, emotionally calm and stable state. Pranayama is the practice of controlling breath. It also supplies body with oxygen while removing toxins. The faculty expressed that both meditation and pranayama are meant to connect both body and mind and provide healing physiological benefits. Around **268 students** from **B. Pharm and Pharm D** have attended this event. Dr. K. Padmalatha, also shared her view that making yoga and pranayama a daily practice improves physical and psychological balance thereby enhancing overall health and well-being.
