

VIJAYA INSTITUTE OF PHARMACEUTICAL SCIENCES FOR WOMEN

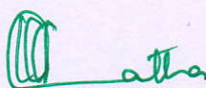

Annual Placement Report

A.Y: 2019-20

The Training and Placement Cell is a significant element of *Vijaya Institute of Pharmaceutical Sciences for Women*. The management is quite supportive in providing all the amenities required to maintain the Cell. The primary objective of the Cell is to provide training and placements to students by organizing interviews on the campus. Students also attend interviews outside the campus. The institution arranges various programmes to allow students to groom their skills. Campus Recruitment & Training and Personality Development Programme are aimed at exposing students to the trends of the corporate world and develop their attitude in tune with it. Soft skills, Work place ethics are taught apart from honing their reasoning and analytical capabilities. Students are trained on General Aptitude including quantitative analysis, group discussion, interview techniques, resume writing which make the interviewees confident before the employer. Industry visits, trainings and internships are planned by the Cell. Seminars on career guidance and higher studies are organized in association with the Cell. The Cell functions with a clear objective of ensuring a higher placement record and a better reach to the students of the institution.

EPISOURCE, Medi Healthcare, Ravencare Remedies, Reddys and Apollo are the companies are the companies where students are placed for the year 2019-20
