Vijaya Institute of Pharmaceutical Sciences for Women

Vijaya Institute of Pharmaceutical Sciences for Women gives perfect opportunity to all students to participate in the competitions and showcase their creative talents through '*VIJRUMBHANA*'. Programmes are organized to encourage creative pursuits and nurture talents. There is a competitive and spirit of camaraderie too, as students from various levels like B. Pharm, Pharm D and M. Pharm come together to participate.

Team work can be educational, exhilarating and challenging. The teams Achievers, Inspirers, Sizzlers and Sparklers compete in the event '*VIJRUMBHANA*'. The discrimination among the students as Seniors/Juniors is avoided by grouping them randomly from first B. Pharm to second M. Pharm. These groups are headed by the nominated faculty coordinators and student group leaders. They represent the respective teams in competition throughout the year.

'*VIJRUMBHANA*' has a unique flavour and style that makes it a much expected and memorable moment. It is a confluence of ideas, a perfect blend of arts, skills and the passion to perform. Students get thoughtful planning, convenient amenities and a warm welcoming environment to participate in all events.

Achievers: Achievers are influenced by motivational reminder "what you get by the achieving your goals is not as important as what you become by achieving goals"

Inspirers: They are filled with enlivening, exacting emotion to complete. This is the power of gathering where actions are guided to be more enhanced, thoughtful and more alive to open their winning self.

Rules for Kabaddi Competition

- Each team shall consist of no more than 12 players with only 7 taking to the field at any one time.
- The duration of the match is two halves of 20 minutes with a half time break of 5 minutes.
- At the start of a Kabaddi match, there is a coin toss with the winner having the choice as to whether to have the first raid or not. In the second half of the match, the team that did not raid first shall begin the second half with a raid.

- To win a point when raiding, the raider must take a breath and run into the opposition's half and tag one or more members of the opposing team and then return to their own half of the pitch before inhaling again.
- To prove that another breath hasn't been taken, the rider must continue to repeatedly yell the word 'Kabaddi'. Failure to do this, even for just a moment means that the rider must return to their own side of the court without points and the opposite team is awarded a point for a successful defence play.
- The team being raided is defending, and the players must prevent the raiders from tagging them and returning back over the halfway line. Whilst in defence, a team may score a point by successfully preventing the raider returning to their own half after tagging them. Raiders may only be grabbed by their limbs or torso, not by their hair, clothes or anywhere else, and defenders are not permitted to cross the centre line.
- Each team will take turns in raiding and defending. Following halftime, the two teams switch sides of the court and the team who defended first in the first half begin the second half by raiding.
- The game continues in this way until the time is up, the team with the most points at the end of the match is declared the winner.
