Name of the Programme: General Health Check Up by Call Health

Place: VIPW Campus

Vijaya Institute of Pharmaceutical Sciences for Women arranged a free general health checkup for the teaching and non teaching staff on **12. 03. 2018** for their safe health. The routine busy schedule running around alarms us of one's own health needs. With this intention in the management of VIPW invited the people of Call Health which is the world's first and only healthcare platform that brings the convenience of ease to each and every one. General and routine tests were performed to the staff including the Principal of the institute to rule out any diseases and the persons who need medical attention have been sent to the higher centers for further follow up. Staff expressed their happiness, and gratitude to SRK management for arranging health check up at no cost. Further they conveyed Principal VIPW, that reports obtained from call health people were very much satisfactory for further health check up.
