Vijaya Institute of Pharmaceutical Sciences for Women conducted a two-day FDP on 20th and 21st October 2017. The speaker of the first session on 20th October 2017 was Dr. Kola Vijaya Shekar, Prof, Department of ophthalmology Guntur Medical College Guntur. He enlightened the staff about advanced pharmacy practice, patient care, and multiple roles played by pharmacist. The talk was interesting as it was coated with many live and practical examples. The speaker being an expert had a good interactive session with the faculty members and motivated them to orient themselves towards better, safe and rational patient care. He also explained the steps and sequence of events to be followed by the clinical pharmacist for providing effective patient care, he explored on the wide opportunities available for pharmacists and their role in patient care.

Report

Name of the Programme: One day training programme on "Fire Safety"
Resource Person: Mr. Narayana, Kings Institute of Fire and Safety Engineers
Date: 7th October 2017

One day training programme on "Fire Safety" was conducted in Vijaya Institute of Pharmaceutical Sciences for Women on 7th October 2017. All the non-teaching staff members participated in the programme. The training programme went on demonstrating operation of various fire safety equipment's. The technical staff members were also taught of various types of fire extinguishers such as solid, liquid, gas and foam forms. At the end of the Programme all the participants were allowed to practice using the Extinguishers.

The non-teaching technical staff members shared their opinion that the programme made them confident of fire safety and security extinguishers very well.

It provided information on elements essential for theoretical conception, further she proceeded in her afternoon session on **“Quality Enhancement Measures in Higher Education”** Which concentrated on the quality of learning opportunities. Faculty interacted with her on various topics and expressed that the talks have enriched them with quality education.

On 08.09.2017, Speaker of the Day 2 programme, Mr. S. Venkateswar Rao, Assoc. Prof., Vijaya Institute of Pharmaceutical Sciences for Women, delivered his talk on **“Skill Up gradation in Quality Pharmacy Education”** at 10:00 am enlightened the audience on understanding the talk on need for Skill development and upgradation of knowledge on current trends in pharmacy education **“Pharmacist Role and Expectations”** where the speaker discussed on the ptimization of patient specific drug regimens, at 11:45 am. The talk on **“Effective Teaching Methodologies”** which focused on inquiry-based instruction. The faculty shared the view that the talk helped them understand the advancements in education. The concluding remarks were given by Dr. K. Padmalatha where she stated that the two-day FDP held made an impact on various advances in education and added that all the faculty members were very much benefited by the sessions.

Date: 18th August 2017

One day training programme on “Good Laboratory Practices - Microbiology Laboratory” was conducted in microbiology laboratory at Vijaya Institute of Pharmaceutical Sciences for Women on 18th August 2017. The training programme was on demonstrating autoclaving of cultures, maintenance of aseptic room, use of laminar air flow, incubator etc. The technical staff members were also taught of various types of sub culturing techniques. The non-teaching technical staff members expressed that the programme made them aware of adding appropriate amounts of ingredients in the preparation of nutrient agar medium helpful in the subculturing.

Report

Name of the Programme: A Two-day training programme on Health Camp

Trained by: Dr. S. Sundar

Date: 19th July 2017

A two-day training programme on Mega health Camp was conducted in institute for all the technical non-teaching staff on 19th July 2017. The training programme was focused to train the technical staff for the upcoming mega health camp planned to held on 23.07.2017 at the institution. Pharma D faculty trained the technical staff on various parameters such as giving tokens, sending public in an orderly manner for their health check-up, to help the professionals while screening the patient for their body weight measurement, BP check-up, body temperature measurement, blood sugar level monitoring etc.

The non-teaching technical staff members expressed that the programme made them aware of their role in organizing health camp and help the Pharm D faculty and students in making the event successful.

A two-day faculty development programme was organized by *Vijaya Institute of Pharmaceutical Sciences for Women*, Enikepadu, Vijayawada with the theme “**Pedagogy and Challenges in Research**” on 8th & 9th June 2017.

On 08.06.2017 Speaker of the Day 1 programme, Dr. A. Padmaja, Assoc. Prof., HOD S&H, SRK Institute of Technology, Enikepadu, Vijayawada, delivered a talk on “Innovation and Transformation in Research” at 10:00 am which emphasized on understanding the research problem and methodology, followed by the topic “Holistic approaches for excellence in Research” at 11:45 am. It provided information on “Emerging Theses and Present Trends of Research”. Further she proceeded in her afternoon session on “Holistic approaches for excellence in Publishing” which focused on assessing statistical tools and techniques in research.

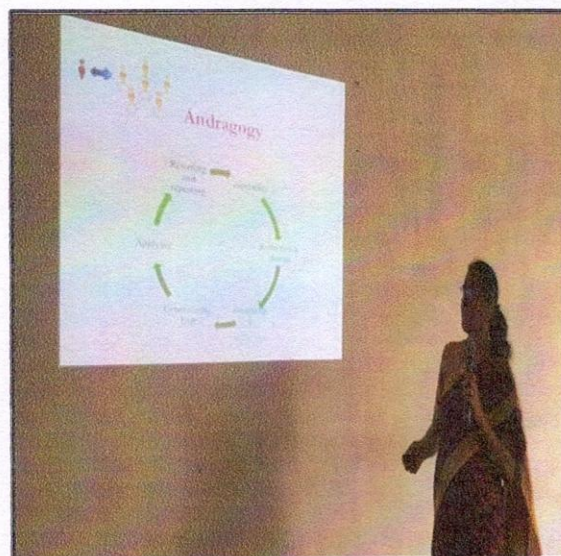

PRINCIPAL
VIJAYA INSTITUTE
PHARMACEUTICAL SCIENCES FOR WOMEN
ENIKEPADU VIJAYAWADA 521 108

Faculty interacted with her on various topics covered and expressed that the talks have enriched them with knowledge about research quality indicators.

On 09.06.2017 Speaker of the Day 2 programme, Mrs. V. Vishnu Vandana Devi, Asst. Prof., Vijaya Institute of Pharmaceutical Sciences for Women delivered her talk on “Recent Advances in Education” at 10:00 am which enlightened the audience on understanding the unpublished data and methodologies. At 11:45 am the talk on “Academic ethics and Plagiarism” dealt with how to avoid plagiarism in research. The talk on “Academics and Research” focused on peer reviewing and grant writing. The faculty shared the view that understanding the research problem and giving proper acknowledgement would be very helpful in day-to-day research.

The concluding remarks were given by Dr. K. Padmalatha Prof. and Principal, where she stated that the two-day FDP held made an impact on various challenges in research and added that all the faculty members were very much benefited by the sessions.
