.STUDENT FEEDBACK ON CURRICULUM

SUMMARY

This organization is affiliated to JNTUK, KAKINADA and the college academic curriculum is designed by the Board of Studies in the University. Board of Studies designs curriculum by taking suggestions and remarks from the affiliated colleges through conducting meetings with the Principals (of the affiliated colleges) before preparing the Blueprint of curriculum.

However, institution obtains feedback on the curriculum design and development from various stakeholders. The feedback is collated and analyzed at College academic meetings in the institution. Based on feedback requirement, institutions plan:

- More practical sessions are included for better understanding of the subject.
- It is decided to continue personality development programmes and interview skills programme for the academic year 2019-20.
- Learning Management System through interactive activities which enables the mutual interaction between faculty and student was encouraged.
- Smart Class rooms, Video conferencing etc was made effective by use of ICT.

Suggestions and remarks about curriculum are conveyed by Principal to the University through amending meetings in the University and it is made perfect to suit the students- instead of mere gathering of information so that it can enhance the ability of the students to think innovatively.

EMPLOYER'S FEEDBACK ON CURRICULUM

SUMMARY

This organization is affiliated to JNTUK, KAKINADA and the college academic curriculum is designed by the Board of Studies in the University. Board of Studies designs curriculum by taking suggestions and remarks from the affiliated colleges through conducting meetings with the Principals (of the affiliated colleges) before preparing the Blueprint of curriculum.

However, institution obtains feedback on the curriculum design and development from various stakeholders. The feedback is collated and analyzed at College academic meetings in the institution. Based on feedback requirement, institutions planned as follows:

- Coordination is well maintained between the theory classes and the lab activities.
- Industrial visits are arranged to enrich the education.
- Mock interview sessions are arranged for genuine placements.
- Ethics is introduced to improve their behavioral skills.
- Industry Experts have been invited for mentoring for students under Student Training Program (STP).
- It is suggested to be more oriented toward the current trends in the market and also wants to have a particular period for improving communication skills of the students.

Instead of mere collating of the information even though obtained from the experts, required suggestions and remarks about curriculum are conveyed by the Principal to the University through attending meetings in the University and it is made perfect to suit the students.

EMPLOYER'S FEEDBACK ON CURRICULUM

SUMMARY

This organization is affiliated to JNTUK, Kakinada and the college academic curriculum is designed by the Board of Studies in the University. Board of Studies designs curriculum by taking suggestions and remarks from the affiliated colleges through conducting meetings with the Principals (of the affiliated colleges) before preparing the Blueprint of curriculum.

However, institution obtains feedback on the curriculum design and development from various stakeholders. The feedback is collated and analyzed at College academic meetings in the institution. Based on feedback requirement

- It's our constant endeavour to groom our student with domain skills and soft skills.
- A personality grooming lecture series was organized in the institute under the skill development program.

Instead of mere collating of the information even though obtained from the experts, required suggestions and remarks about curriculum are conveyed by the Principal to the University through attending meetings in the University and it is made perfect to suit the students.
