Report

Name of the Programme: Covid -19 Awareness activities (Online)

Students of **Vijaya Institute of Pharmaceutical Sciences for women** took part actively, stayed connected online and programmed several activities for building up awareness about the **prevention of Covid-19**. College has posted a circular on student WhatsApp groups and motivated them to come out with their creative talents to bring awareness among public about covid-19 precautions. Henceforth, students have designed informative pamphlets, posters, PPT's and videos to provide knowledge to the public about the pandemic. They have presented their work on social media platform like Whatsapp, Facebook and Instagram. **Score More Foundation** acknowledged the Institution for creating awareness among the public through social media by presenting a certificate of “a Cause for Applause”

25.11.2020

Report

Name of the Programme : 59th National Pharmacy Week-2020

Mode : Online/Offline

Theme : “Pharmacists: Frontline Health Professionals”

Vijaya Institute of Pharmaceutical Sciences for Women, Enikepadu, Vijayawada in association with IPA Enikepadu Local Branch and VIPW-IPASF, organized the 59th National Pharmacy Week Celebrations 2020 from 16th- 22nd November, 2020 with the theme, **Pharmacists: Frontline Health Professionals** in both online and offline modes. As per the instructions from the IPA, Indian Pharmaceutical Association, the college conducted competitions for students (online), from 2nd Nov., to 4th Nov., 2020, on video-making, E-Poster and E-Card making.

On 16th Nov., the inaugural talk was given by **Dr. Karthik Rakam**, President, Pharmacon Society for Pharmacy Practice on the topic, *Inspiring Professional Journeys*. On 17th, 18th and 19th students along with the faculty members visited the medical shops in the rural areas of Enikepadu and Ramavarappadu to educate the medical store personnel about the significance and presence of a pharmacist in a medical store. The celebrations concluded with the Valedictory talk and announcement of prizes by **Dr. H. Khizer Basha**, Consultant Paediatric Intensivist and Neonatologist, Capital Hospitals, Vijayawada. The resource person addressed the staff and students on zoom on the topic, *CDC Guidelines for Educational Institutions*.

As a part of Clean India and Green India initiative “Swachh Bharat Summer Internship Programme” was taken up as per the instructions of UGC in association with MHRD on 23.06.2018 to 31.07.2018 by Vijaya Institute of Pharmaceutical Sciences for Women, Enikepadu, Vijayawada. The faculty members Mr. A. Jayarami Reddy, Mrs. V. V. Vandana Mrs. K.V.R. Rajeswari, Dr. N. Prathibha, Dr. M. Thabitha, Mr. Ravi Kumar and Pharm D students of NSS and IPA involved in this programme. All the participants divided themselves into six teams with members of ten each worked in six villages for six consecutive weeks on Saturdays and Sundays along with one staff coordinator during 23 rd June – 31 st July. They selected Unguturu, Garapadu, Ponukumadu, Nagavarappadu, Tuttagunta and Vennuthala Villages in Unguturu Mandal, Krishna District, Andhra Pradesh.

A weekly action plan was scheduled which include cleaning of the roads, awareness programmes on Swachh Bharat themes like Sanitation, Solid Waste Management, general and health related issues. IPA student Volunteers have also conducted health camps and distributed free medicines from the institution's Jan Aushadhi medical store to the villagers. They worked together with the local village sarpanches, government officers, government school teachers and anganwadi personnel. This programme enlightened the villagers on importance of sanitation and proper ways to maintain it for good health.

The program was carried out under the guidance of **Dr. Kola Vijaya Sekhar**, Associate Professor, SMC, Vijayawada. Students of Pharm D along with their faculty examined and screened the public for the diseases and follow up was done to the people with the known problems. Patients with altered findings and poor adherence to the treatment were guided to visit Govt. General Hospital for further need. **Dr. K. Padmalatha** thanked Dr. K. Vijaya Sekhar for his guidance and appreciated the students and faculty who tried to focus on improving their skills through community service.

Executive Officer,
Enikepadu Panchayat

Phone No : 9394663699

The government's decision of **Demonetization** has led to **Digitalization** and the rapid adoption of e-wallets for the usage of credit and debit cards as a means of payment. Such **digital** transactions have to replace cash transactions in a large way. In this connection, on **20.12.2016**, **Vijaya Institute of Pharmaceutical Sciences for Women** with the support of local people, Executive officer of Grama Panchayath and Surpanch of Enikepadu organized this program. The students participated in this programme and educated people about the demonization and how the cashless transactions can be done through their mobile phone. The volunteering team received appreciation from the local government officers and public.
