REPORT

Name Of the Programme : International Mother's Day
Place : Government General Hospital,
Vijayawada

As **International Mother's Day** is celebrated on second Sunday of May every year as a token of respect and dedication to expressing gratitude with admiration and love to all the wonderful Mothers across the world. It is a time to honor the hard work, sacrifice and dedication of mothers in raising their children and contributing to their families and communities. On this occasion **Vijaya Institute of Pharmaceutical Sciences for Women** celebrated **International Mother's Day** on 14.05.2023 at the **Department of Gynecology, Government General Hospital** by distributing sarees, fruits to the patients to show the respect and gratitude to the young new mothers. **Dr. K. Padmalatha**, Principal of the institution offered the sarees and fruits. Pharm D students distributed them to the new mother's along with their faculty **Dr. K. Purushottam**, HoD, department of pharmacy practice.

REPORT

Name Of the Programme : Voice4 Girls
Resource Person : Mrs Sri Harsha
Project Manager
Oorja
Vijayawada

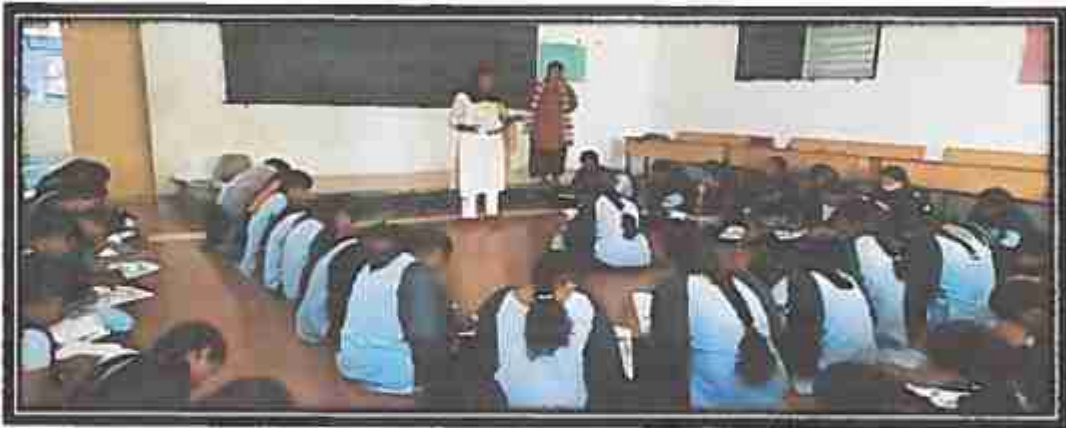

Vijaya Institute of Pharmaceutical Sciences for Women participated in project Oorja conducted by NGO Voice 4 girls for 8-day programme from 13.03.2023 to 18.03.2023. Oorja programme imparts critical knowledge on menstrual health and hygiene, safety rights, mental health and future readiness of young women to overcome systemic inequalities through the dissemination of knowledge and provision of career guidance and skill training. Project Manager Mrs. Sri Harsha trained our IV B. Pharmacy students on effective communication, and public speaking and Mrs. Sri Harsha also talked about the women and girls who had hundreds of years of struggle. But each one of us has to give each other hope, pat each other's backs and remind each other that we have done it in the past and we can do it again.

REPORT

Name Of the Programme : Har Ghar Tiranga Rally
Place : VIPW Campus,
Music College,
BRTC Road

Government of India commenced **Azadi Ka Amrut Mohotsav** on 12th March 2021 which started a 75 – week countdown tour 75th Independence and will end post a year on 15th August 2023 to celebrate and commemorate 75 years of independence and the glorious history of its people, culture and achievements. **Har Ghar Tiranga** is a campaign under the aegis of **Azadi Ka Amrit Mahotsav** to encourage people to bring the Tiranga home and to hoist it to mark the 75th year of India's independence. On the occasion of **76th Independence Day** the students and faculty of **Vijaya Institute of Pharmaceutical Sciences** conducted a rally in association with **ITC** from the institution campus to BRTC Music college via Tatapuram colony, Enikepadu and Eluru Road by holding 20 meters long National flag which showed the relationship with the flag collectively as a nation in the 75th year of independence. The idea behind the initiative is to invoke the feeling of patriotism in the hearts of the people and to promote awareness about the Indian National Flag. Later on Competitions like mehendi, Drawing, Face paintings were conducted to the students.

Name of the Programme : World Hemophilia Day

Place : VIPW Campus

Vijaya Institute of Pharmaceutical Sciences for Women organized an awareness programme on 17.04.2022 on the occasion of **World Hemophilia Day** to raise awareness on the disease. **Dr. K. Purushottam Reddy**, HoD, Department of Pharmacy Practice gave a talk on Hemophilia to Pharm D students on the theme of the event this year is **"Access for All: Prevention of bleeds as the global standard of care"**. Building on last year's theme, the call to action for the community in 2023 is to come together and advocate with local policy makers and governments for improved access to treatment and care with an emphasis on better control and prevention of bleeds for all people with bleeding disorders (PWBDs) and how it is carried out. He also added the implementation of home-based treatment as well as prophylactic treatment to help those individuals have a better quality of life and prevent its complications along with the precautions to be taken and the initiatives to support hemophilia.

REPORT

Name Of the Programme : National Vaccination Day
Place : Government General hospital
Vijayawada

Each year on **March 16**, the **National Vaccination Day**, officially known as National Immunization Day, is commemorated to emphasize the significance of vaccination to the whole country. The day was originally commemorated in 1995, the year India launched its Pulse Polio Campaign. The National Immunization Day is particularly significant this year since the government began its largest Covid-19 vaccination campaign earlier last year and has successfully restricted the spread of this deadly virus. On this occasion of **National Vaccination Day**, II and IV Pharm D Students who are visiting the Government General Hospital for their clinicals created an awareness programme on importance of vaccination to the in patients and in pediatric department on 16.03.2023 along with their faculty members. Dr. K. Purushottam Reddy, HoD, Department of Pharmacy Practice guided the students to do the programme successfully.

04.12.2022

Name of the Programme: World AIDS Day

IV Pharm D students of Vijaya Institute of Pharmaceutical Sciences for Women created and participated in an awareness programme for public on the Importance of AIDS Day on the occasion of World AIDS Day on 01-12-2022 with the theme "Equalize", in and around the places of Vijayawada. World AIDS day is observed every year on December 1 to raise awareness about AIDS and to mourn those who succumbed to the condition. The key messages included that inequalities still persist for most basic services like testing and treatment. Students conveyed the message that we must ensure that everyone, everywhere has equal access to HIV prevention, testing, treatment and care. Health services should be adapted to reach and meet the needs of population most at risk and affected and this includes implementing a zero-tolerance policy to stigma and discrimination. At the end of the programme students got huge positive response from the public.

Vijayawada

61ST National Pharmacy Week Celebrations 2022 were held from 21st to 26th November with the theme “India: Pharmacy of the World”. The programme was organized in coordination with Indian Pharmaceutical Association, Enikepadu Local Branch, Vijayawada. Dr. N. Vithal Rao, Principal, Siddhartha Medical College, Vijayawada graced the occasion as the Chief Guest. On Day 1, after the inaugural session, students went on a rally in and around Enikepadu village spreading awareness about the theme. On the 23rd, an awareness programme on “India’s vaccine Development Journey” was organized at Nidamanuru High School, Leaflet, and Chart Preparation competitions were held for students. Awareness Programme on “Antibiotic Resistance in Multi-Drug Resistant Pathogens” at Kanuru High School on 24-11-2023. Drawing, Painting and Rangoli competitions were organized for the college students. On Day 5, “Violence against Children”, with this title an awareness programme was designed and held for the students of Enikepadu High School. Students of the college participated in debate, quiz, skit, and live patient counselling competitions. On 26th November, the celebrations came to a close with the valedictory programme in the college seminar hall. Coordinator of the programme and Principal of the college addressed the budding pharmacists on the significance of age-old Indian medicines and techniques that can

cure chronic some diseases. The programme was a great success, as the college received a good appreciation form the schools and local residents.

REPORT

Name Of the Programme : Save Soil Campaign
Resource Person : Mr. Chandu
Isha Foundation

Vijaya Institute of Pharmaceutical Sciences for Women participated in the Save Soil Campaign on 05.12.2022, which is a global movement launched by Sadhguru, to address the soil crisis by bringing together people from around the world to stand up for Soil Health, and supporting leaders of all nations to institute national policies and actions toward increasing the organic content in cultivable Soil. The aim of the campaign is to educate and raise awareness about soil extinction, policy change to safeguard soil health, inspire over 3.5 billion people to support these policies. Students and faculty participated in the rally conducted in the campus by carrying placards on importance of SAVE SOIL, stating that 52% of agricultural soils are already degraded, over 2 billion people suffer from nutritional deficiencies and a tablespoon of soil contains more microbes than there are humans on the planet. Institution also distributed SAVE SOIL stickers to the students and staff which is to be stuck on the vehicles to promote the importance of soil which is the simple and impactful way to support Save Soil and raise awareness. Dr. J. Reshma Naidu and Mrs. Subbalakshmi headed the programme with the support of Mrs. K. V. R. Rajeswari and Mr. A. Jayarami Reddy, NSS Coordinator of the institute.
