On the occasion of International plastic bag-free day on 03.07.2022 Vijaya Institute of pharmaceutical Sciences for Women conducted an awareness programme on the usage of plastic bags and how to save soil. Mr. Charan from conscious planet visited the institution and created an awareness on the threat caused by plastic pollution to the natural environment as a part of "SAVE SOIL" campaign initiated by Sadguru Jaggi Vasudev, Isha foundation. He also stated that we have to improve the organic matter in the soil from 0.3 % to 6 % or else the soil may become desert in the future and it leads to civilization wars. To avoid soil erode and degradation of the earth he suggested the students to plant the plants as many as possible and also prevent and stop the use of plastic bags as they cause soil degradation.
